

Richard Grennan Joins the Eiler Insurance Agency, LLC

Please note we are now back into the Medicare Advantage and Medicare Supplement world again as well as Health insurance and Disability and Long Term Care and RX plans and Dental plans. Please help us welcome Richard Grennan who will be working with all these products with our agency in house. Rich brings with him many years of working with people in sales and being in management with local companies. Rich is excited to get out there and start helping folks find answers to their questions on insurance products and finding solutions to their needs in insurance.

Please feel free to call our office at 920-398-2370 for Rich to assist you with any health care needs, With Rich being on a Medicare Advantage plan himself he knows firsthand what it's all about and how it works. Rich can be contacted via cell phone at 920-948-7487 or email at lh@eileragency.com or our office number above. We look forward to working with all who call us!

Please see our brochure enclosed and if you have any questions please call us.
